PRESS RELEASE

Drug Overdose Arrest

By: Detective Christopher Nugent

April 28, 2017

On 04/27/17, a 34 year old Shelton woman was discovered deceased in her home from an apparent heroin overdose. A subsequent investigation by Shelton Detectives leaned that the woman recently purchased heroin from a male in New Haven.

On 04/28/17 Shelton Detectives were able to make contact with the suspected drug dealer, who agreed to meet up under the impression of selling heroin. Officers set up surveillance in the downtown Shelton area and took Corey Senior, age 26, of New Haven who was in possession of narcotics into custody. Senior removed a large amount of crack cocaine and heroin from his buttock region at the time of his arrest.

Senior was arrested and charged with two counts of illegal possession, illegal possession with intent to sell, and illegal possession with intent to sell within 1500 ft of a school zone.

The investigation into the suspected heroin overdose is ongoing with arrests expected. Senior is currently being held on \$150,000.00 bond.

****The charges in the press release are merely accusations, and the defendant is presumed innocent unless and until proven guilty.****
